

Cookie Policy for Sciving International Limited

Last updated on the 15th of March 2024.

1. Introduction.

Cookies consist of portions of code installed in the browser that assist the Owner in providing the service according to the purposes described. Some of the purposes for which the Cookies are installed may also require the User's consent.

2. Technical Cookies and Cookies serving aggregated statistical purposes.

Activity strictly necessary for the functioning of the service: This Application uses Cookies to save the User's session and to carry out other activities that are strictly necessary for the operation of the same, for example in relation to the distribution of traffic.

Activity regarding the saving of preferences, optimization, and statistics: This Application uses Cookies to save browsing preferences and to optimize the User's browsing experience. Among these Cookies are, for example, those to set the language and the currency or for the management of first-party statistics employed directly by the Owner of the site.

Other types of Cookies or third-party tools that might use them: Some of the services listed below collect statistics in aggregated form and may not require the consent of the User or may be managed directly by the Owner – depending on how they are described – without the help of third parties.

If any third-party operated services are listed among the tools below, these may be used to track Users' browsing habits – in addition to the information specified herein and without the Owner's knowledge. Please refer to the privacy policy of the listed services for detailed information.

3. Analytics.

In addition to what is specified in this document, the User can manage preferences for Cookies directly from within their own browser and prevent – for example – third parties from installing them. Through the browser preferences, it is also possible to delete Cookies installed in the past, including the Cookies that might possibly have saved the consent for the installation of Cookies by this website.

It is important to note that by disabling all Cookies, the functioning of this site may be compromised. Users can find information about how to manage Cookies in their browser at the following addresses: Google Chrome, Mozilla Firefox, Apple Safari, and Microsoft Windows Explorer.

In the case of services provided by third parties, Users can exercise their right to withdraw from the tracking activity by utilizing the information provided in the third party's privacy policy, by clicking the opt-out link – if provided – or by contacting the third party.

Notwithstanding the above, the Owner informs that Users may take advantage of: Your Online Choices. This service allows Users to select their tracking preferences for most of the advertising tools. The Owner thus recommends that Users make use of this resource in addition to the information provided in this document.

4. Data Controller and Owner.

Since the installation of third-party Cookies and other tracking systems through the services used within this Application cannot be technically controlled by the Owner, any specific references to Cookies and tracking systems installed by third parties are to be considered indicative. In order to obtain complete information, consult the privacy policy for the respective third-party services listed in this document.

Given the objective complexity linked to the identification of technologies based on Cookies and their very close integration with the operation of the web, Users are encouraged to contact the Owner should they wish to receive any further information on the use of Cookies themselves and any possible use of them – for example, by a third party – carried out through this site.
